

## Work Experience

2021 & 2022    **Test Developer**    Metronomics

Over the summers of 2021 and 2022 I had the opportunity to work at MGS. During my time there I:

- Created unit tests with peers which improved unit test coverage from ~1% to 10%.
- Collaborated with peers to create a standardized unit testing format.
- Participated in all Agile meetings, including sprint planning, sprints, and retrospectives, with the entire Development Team.
- Met and collaborated with all levels of the company on a daily and weekly basis.

2022 → 2023    **Head Speaker & Policy Officer**    Queen's Computing Students' Association

During the 2022-23 school year I had the privilege to work for COMPSA. During my tenure I:

- Successfully Chaired all General Assemblies throughout the school year.
- Worked closely with the President and VP of Affairs to format and update [The Constitution](#) to be more accessible and better reflect the current values of The Association.
- Brought awareness Governance events like General Assemblies by creating and proliferating posters around campus.
